

Deposits: A 50% deposit is required to hold your date, and is non-refundable

Min: 5 **Max:** 10 (based on the number of machines we have)

*if your troop is larger than 10, we may still consider it. Larger groups could be split with some doing hand sewing and others on the machines, then we switch. This would require extra helpers and a longer time frame. Please call for pricing.

Cancellations: Once your deposit is paid, we will be purchasing materials and therefore will not refund your deposit if you decide to cancel. If something comes up, and you can't make your date, please call to arrange a new date. We will allow you to reschedule the event once, at no additional cost.

There are no refunds for no-shows or cancellations the day of the event.

Helpers: For the safety of the girls, we ask that the leaders stay and be ready to help out if needed. Depending on the size of the group and the ages of the girls we may request additional moms to stay as well. This will be discussed prior to your event.
